TECHNICAL SKILLS

- **Languages:** C, C++, Java, Javascript, VB6.0
- **Frontend Tools:** Html, CSS, Tailwind CSS (Basics)
- **Backend Tools:** Php(Basics)
- **Databases:** Oracle (Basics), Sqlplus

PROJECTS

Personal Portfolio | Html, CSS, Javascript, TailwindCss

- Personal portfolio is a sleek and modern web project built using **HTML, CSS, JavaScript, and Tailwind CSS**. It serves as a digital resume, showcasing your skills, experience, and projects in a visually appealing and interactive way.
- **Resume Integration:** Displays your professional skills, and achievements.
- **Contact Form:** Allows visitors to reach out to you easily.

Distributer Billing System | VB6.0, Oracle 11g

- This system is designed to manage the sales and billing processes of a **distributor company** that supplies **Lotte Choco products** to wholesalers efficiently. Generates invoices for wholesalers, calculates total amounts, and applies discounts/taxes.
- **Reports & Printing:** Crystal Reports (for invoice generation)
- **Product Management** – Maintains a database of Lotte Choco products with details like price, stock, and expiry date.

EXTRA CURRICULAM ACTIVITIES

- **Speech competition –** 4th place at Arcade Business College.
- **CPBFI Training –** Qualify the HR Workshop.

CERTIFICATES

- **Core Java Certification – Udemy (2025)**
  Covered OOP concepts, multithreading, and Java development best practices.
- **Android with Kotlin Workshop – IIT Patna** *(2024)*
  Hands-on experience in Android development, components, and architecture.
- **Genrative AI Certification – GUVI** *(2025)*
